VALENTINE SEQUIN CANDLES

These candles are sparkly, adorable, and *so simple* to make. I've been seeing heart things adorned to sweater sleeves, pillows, even (ahem) hand warmers. So why not put them on candles too?

Materials for Sequin Valentine Candles:

- Pillar Candles
- Sequin Trim (my hearts took a little less than a yard each)
- Loose Sequins
- Glue (tacky, Elmers, hot, whatever you prefer, just be sure it dries clear!)

Just glue the trim down onto the candle and boom! Glitzy candles for Valentine's Day.

Start the heart with the outline and then work your way in.

Want the glitz without the hearts? Just glue loose sequins on the candle.
