Make a DIY Gift bag rosettes...

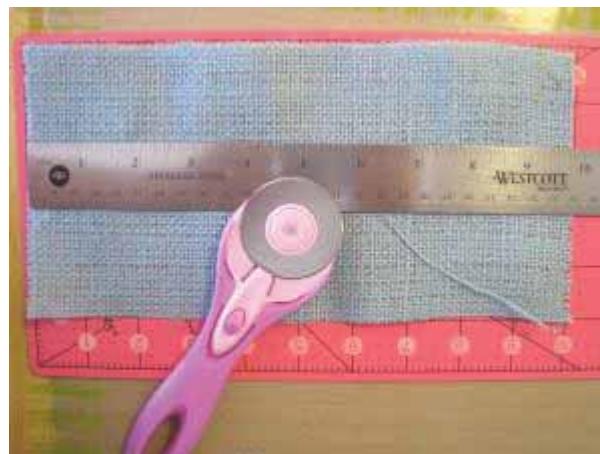

by Dana Gustafson on July 20, 2012

dress up that kraft bag with burlap and buttons!

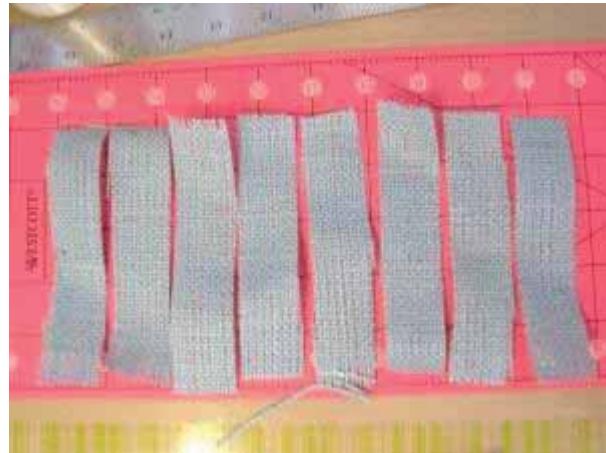

Nothing like the summer skies to inspire a bright pop of yellow and blue! This project uses the following supplies:

- Coloured buttons
- [Adhesives and Advanced Craft Glue](#)
- Metal ruler, cutter and mat
- Printed paper
- Craft supplies: burlap fabric, fabric flowers, doily, ric rac trim and upcycled brown kraft gift bag

Began with a piece of burlap, approximately 5x10 inches.

Cut burlap with a metal ruler and cutter into 1×5 inch strips.

Loop and glue strips of burlap around a scrap of paper that will serve as the base for our rosette. Continue gluing and layering paper strip, doily, flowers, ric rac and buttons until you get a fun rosette that can be added to your brown bag like this....
